WELCOME TO...

WOODBURN HOMESTEAD

Situated on 42 acres and cradled by the Angas River, Woodburn Homestead is a breathtaking property in the beautiful Fleurieu Peninsula.

The long gum-lined driveway reveals a charming homestead dating back to 1864, built by the Rankines, a pioneering family in the local region. The Westphalen family purchased Woodburn Homestead in 2016.

The family restored this historic property, now known as an award-winning destination wedding venue.

Surrounded by intimate garden corners and boasting an iconic open-air chapel, corrugated iron 'stables' lounge and bar, lush lawned spaces, and accommodation for up to 18 people, this venue truly 'has it all' for your wedding day.
